 We may not have sales these two weeks if we have reached our capacity. ORDER EARLY!

Custom Made Mum and Garter sales will end when we reach the maximum number of orders we can complete based on volunteer capacity, materials and supply inventory, and/or other conditions that impact production. We will have to stop taking orders, and *it may be without advance notice!*

In other words, order as early as possible to avoid missing out!!!

Ready Made Mum and Garter sales will continue as long as the supply lasts.
